

**Table S13. The coordinate data of PCA graph.**

| Manufacture | Component 1 | Component 2 |
|-------------|-------------|-------------|
| M1          | -0.68       | 0.18        |
| M2          | 1.50        | 0.71        |
| M3          | -1.34       | 0.50        |
| M4          | -0.62       | -1.17       |
| M5          | -1.35       | 0.98        |
| M6          | -1.25       | -1.10       |
| M7          | -1.65       | -0.29       |
| M8          | -0.64       | -0.48       |
| M9          | 1.40        | -0.59       |
| M10         | -0.75       | -1.04       |
| M11         | 1.61        | -1.54       |
| M12         | 1.54        | 2.67        |
| M13         | 3.09        | -0.06       |
| M14         | 1.69        | -0.44       |
| M15         | -1.70       | 0.09        |
| M16         | -1.39       | 0.58        |
| M17         | -0.13       | 0.99        |
| M18         | -0.09       | -0.22       |
| M19         | -0.29       | 1.24        |
| M20         | 1.05        | -1.00       |
